

A “born and bred” Bethany boy, Abe has attended Bethany since infancy. He came to Christ as a young child, and early on identified that music is his gifting. Since the age of 5, Abe has studied and played piano, working his way through the Royal Conservatory of Music grades to this very day when he is in the process of completing his Grade 9 harmony/history and his Grade 10 practical levels. Still working part time at Sobey’s, Abe is the current Worship Director at Bethany. He has been involved in sharing Christ with others while being a camp counsellor at Stayner Camp and Camp Mishewah for the last 7 summers.

Abe has one sister and 2 ridiculous golden doodle puppies. He has a deep fear of roller coasters, his favourite chocolate is anything Reese, and he has a mild obsession with pickles – but not the sweet ones! He also enjoys travelling and fishing with his family.
