

Bethany Prayer Card
November 29-Dec 5, 2020

29
Sunday **Thank** God that we can meet around God's word this Sunday, even if online. Ask God to keep our website and data secure but also available to any who will be blessed by it.

30
Monday **Pray** for our national, provincial, and regional government leaders struggling to find solutions for people's health and financial hardship. Ask that they would look to God, get insight, and be willing to acknowledge His help.

1
Tuesday **Pray** for Jason Erb and his work with the youth of Bethany. Ask God to give him great mentoring relationships with the youth.

2
Wednesday **Pray** for all those who are discouraged by the continuing isolation of social distancing measures. Ask God to send help and meet them afresh.

3
Thursday **Pray** for the Bensons as they finish their home assignment and resume work in MissionPREP in the new year. Ask for wisdom in adapting the MissionPREP program to current conditions, and for more financial support for all our missionaries.

4
Friday **Pray** for all the workers in essential retail, delivery, transportation, and healthcare. Ask God to keep them well mentally and physically and looking to God for help.

5
Saturday **Pray** that we will receive enough Benevolent offering this season to take care of the needs God brings to us to meet.

"The prayer of a righteous person is powerful and effective."
James 5:16b
