

At the age of 18, a careless driving accident changed the trajectory of Jason's life. Since then, he has been on an exciting adventure following Jesus. Troubled teen years instilled into Jason a great empathy and compassion for young people as they navigate their own teen years. For the past 20 years, he has served youth as a teacher, pastor, mentor, coach and friend. Currently working with Youth Unlimited/Youth For Christ (YFC), Jason is excited to include serving as Youth and Young Adult Ministries Director at Bethany as part of his mandate.

Married to Rhonda, and father to Kristyn, Jayda, and Selena, Jason and his family live and serve in the community of Baden. You could say that running is a favourite pass time, as Jason has twice completed the Boston Marathon. Playing sports and eating great food are 2 other ways Jason enjoys filling his spare time.
