

Robin grew up in Bombay, India and grew up in a household that included Hindu and Catholic religious beliefs and practices. Along with his entire family, he immigrated to Toronto, Canada in 1970. Through high school sports and a friend's Youth Group invitation, he eventually came to surrender his life to Jesus Christ. His walk of salvation is an ongoing journey of deepening faith, learning to discern God's voice, and a growing capacity to love people well. Galatians 2:20 serves as a foundational life scripture – *"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me."*

Robin is married to Ruth (avid book reader, board game aficionado, one of seven sisters) and father to two amazing, fully grown offspring (Shyla and Matthew). As a musician, he is actively involved in Worship ministry, energized getting to know people, engages in volunteer work, ride horses, and self-identifies as a life-long learner.

In his role as part time Director, Human Resources at Bethany Church, Robin is able to leverage his 30+ years of combined operations management, corporate experience, and lay leadership skills. This includes individual/team development, program management, technology systems implementations, and organizational change initiatives.

Feel free to connect with him via email with any specific questions or support you may require. He also welcomes and enjoys one-on-one meetings whenever it makes sense. Looking forward to meeting each and everyone of you virtually or in person.
